PRESS RELEASE FOR IMMEDIATE RELEASE

IDOT ROUTE 129 WIDENING, RESURFACING, & UPDATE PROJECT

The Illinois Department of Transportation (IDOT) has announced that construction on the **Route 129 Widening, Resurfacing, and Update Project**—from **Kennedy Road to Coal City Road**—is scheduled to begin on **September 2nd**. The project will include:

- Widening the roadway
- Resurfacing and re-striping
- Infrastructure enhancements: Upgraded lighting, curbs, ADA-compliant amenities, and crosswalks at the intersections of **Route 129/Main Street** and **Route 53/Main Street**

Construction activities are expected to begin each day around **7:00 a.m.** IDOT has indicated that **no full roadway closures are anticipated**. However, motorists should be aware that flaggers will be present in the construction zone as needed to ensure traffic safety.

The City thanks the public for its patience and cooperation as these critical roadway improvements are completed. Drivers are urged to use caution when traveling through the area and to allow for additional travel time.
